Weddings.

Miss Anne de Courcy Greenleaf was married Wednesday night to Paymaster William Thomas Wallace, U. S. N., by Rev. Dr. Hamlin, at her home in Georgetown. Only relatives of the couple were present, but a number of other guests came in for the reception, before the departure of the couple for their honeymoon. The bride, who is the grand-daughter of Mrs. Matilda E. and the late John P. Agnew, of this city, was escorted by her father, Mr. Archibald Greenleaf and was attended by Miss Eleanor Wallace as maid of honor, and was preceded by her two small nieces, Margaret Agnew Offley and Lenora Agnew Greenleaf. These little maidens were dressed in white muslin with yellow ribbons and carried yellow flowers. Master Archibald Nelson Offley and Miss McLean held the white ribbons forming the aisle. The maid of honor wore yellow chiffon and carried maidenhair fern. The bride was beautifully dressed in white crepe de chine and lace, wore a tulle veil and carried a shower bouquet of lilies of the valley. Mr. Richard C. Haldeman of Harrisburg, Pa. was best man. The house was profusely decorated with yellow chrysanthemums and palms. Paymaster and Mrs. Wallace left last night for a southern trip.

The marriage of Miss Bernadette Head, daughter of Mr. and Mrs. George J. Head, of Bailey's Cross Roads, to Leo A. Hilliard, of Washington, took place at St. James Church, Falls Church, yesterday morning. Rev. Father Tierney, the pastor of the church, performed the ceremony. Mr. and Mrs. Hilliard left for a wedding trip to New York.

Alexandrians Victorious.

The football eleven of the Alexandria Athletic Association was victorious in both of the games played on the old fair grounds yesterday. The first game was called at 10:30 a. m., and was with the Washington Boys' Association, the score being 10 to 0. The afternoon game was with the Tanglewoods, said to be one of the strongest teams of its class in Washington. The score in this instance was 11 to 0. This was the second time the Alexandrians defeated the Tanglewoods this season and their tenth consecutive victory. The touchdowns were made by Scrivener and Patterson, and the goal was kicked by Kirk. During a rush in the second half Scrivener got the worst of a lively scrimmage, and retired with an injured shoulder. He was removed to his home, where he was attended by Dr. M. D. Delaney. The line-up was as follows:

Birthday Party.
Miss Nellie Pierpont celebrated her twelfth birthday at the residence of her father, Mr. Oscar B. Pierpont, 803 King street, last night. The following young people were guests on the occasion: Misses Marguerite Field, Ruth Watkins, Lillian Groves, Neta Burgess, Mary Harrington, Noranet Forbes, Estelle Kidwell, Leslie Baggett, Ruth Grilbortzer and Nellie Pierpont, and Masters Marion Hopkins, Harry Rouse, Thomas Hunter, Jean Saunders, Carl Johnson, Ralph Johnson, Thomas Watkins, John Luckett, Charley Rouse and Harry Pierpont. There was considerable merry-making during the evening, in which games were prominent features. Seasonable refreshments were served and all present experienced a delightful time.

Property Sales.

It is understood that Mr. Laurence Stabler has sold the building at the northwest corner of King and Washington streets to Mr. E. L. Allen. This is one of the best business stands in the city, but it is said that for the present, at least, no change will be made in its occupancy.

The Mechanics' Building Association No. 4, has sold to Charles W. Whiting a house and lot on the east side of Fayette street between Queen and Princess.

Death of Colored Resident.

Catharine Dulaney, colored, died at her home, 638 1/2 south St. Asaph street, yesterday. The deceased was the widow of Henry Dulaney, who for about thirty years was employed in the Gazette office. She was respected by all who knew her, and throughout life faithfully and humbly fulfilled all duties incumbent upon her. She was 77 years old. Her funeral will take place from Roberts Chapel Sunday afternoon. The deceased was one of the oldest members of that church.

Disorderly Negroes.

Some disorder occurred near the northwest corner of King and Payne streets after the football game yesterday evening, in which several negroes participated. Later Officer Lyles arrested Richard Washington and William Parker. The former had been struck on the head with a bottle. They both left collateral for their appearance this morning, but Parker failed to answer to his name when the case was called and forfeited his collateral. Washington was dismissed.

Disorderly Proceedings.

Residents of Payne street, between King and Cameron, complain of disorderly proceedings conducted on that square about twelve o'clock last night. During the disturbance rocks were thrown with great force, some of which struck front doors. People living in that vicinity say that such scenes are not uncommon.

Corporation Court.

[Judge L. C. Barley presiding.]
Kate McGabey vs. Emma McGabey et al.; decree confirming sale of property W. H. Peck.

Police Court.

[Justice H. B. Caton presiding.]
The following cases were disposed of this morning:
Daisy Deeds, arrested by Lieutenant Smith charged with assaulting and beating Mary Haver, forfeited her collateral by failing to appear.
John Penn and John McCuen, arrested by Special Officer L. E. Tesh charged with stealing iron belonging to the Southern Railway Company were fined \$10 each.
Two white men, charged with being drunk in the street, were dismissed.
Thomas Page and Warren Swinson, both colored, arrested by Officer Ferguson charged with disorderly conduct, were fined \$2.50 each.
Richard Washington, colored, arrested by Officer Lyles charged with disorderly conduct, was dismissed. William Parker, arrested by the same officer for being a party to the disorderly proceedings, forfeited his collateral by failing to appear.
John Washington, colored, arrested by Officer Lyles charged with slapping a small white boy, was fined \$2.50.
A white man, arrested by Officers Henderson and Lyles at the instance of his wife, was dismissed, the complainant failing to appear.
Lewis Carrington, colored, arrested by Officers Knight and Lyles charged with firing a pistol in the street, was dismissed.
James White, arrested by Officer Young charged with assaulting his wife with a lamp, was fined \$10.
A white man, who had been arrested by Officer Henderson for vagrancy, was sent to jail for five days.
Alice Washington, colored, charged with using abusive language toward Andrew Lomax was dismissed.

Personal.

Mr. Grover Goodrich is seriously ill at his home on Duke street.
Colonel James R. Caton, of Alexandria, is in the city today. He was asked regarding the intimated candidacy of State Senator William P. Barksdale for lieutenant-governor. Colonel Caton said: "Whoever may come, it is known that I am a candidate, and I am in the race to win. I have no right to say any man shall not run, but I stick to my announced candidacy of months ago."
[Richmond News Leader.]
Mr. Stephen Cowling left Friday for Alexandria where he will make his home with his sister, Miss Mary Cowling. Capt. Upton Herbert, of Burke, has gone to Alexandria for the winter.
[Fairfax Herald.]

Threw a Lamp at His Wife.

James White, a colored individual, was arrested by Officer Young late last night on the charge of assaulting his wife with a lamp in the northern part of the city. The lamp struck the woman on the right side of the head, inflicting a wound, which was subsequently dressed by Dr. Hopkins. The lamp was burning when White used it as a missile, and some trouble was experienced by neighbors who ran to the woman's relief to keep the house from taking fire. White was brought before Justice Caton this morning. He acknowledged that he threw the lamp, but said he was sorry he committed the act. He was fined \$10.

Steamer Off the Line.

The steamer George Washington, of the Washington ferry line, was inspected today by government officials, and virtually taken off the line, as the repairs ordered to be made in hull and machinery will be too expensive to warrant the placing the steamer in the condition required; hence communication between Washington and Alexandria by water has again been brought to a standstill. The George Washington was brought here about a year ago to take the place of the burned steamer Columbia. She had previously run between New York and one of the forts in that vicinity.

Fifteen Years in Penitentiary.

The case of Daniel Napper, colored, charged with the killing of Rev. Connor, also colored, at a church festival at Falls Church some time ago, occupied the attention of the court from Monday until Wednesday morning, when the jury found him guilty and fixed his term in the penitentiary at 15 years. Napper was represented by Messrs. Moore & Keith and Mr. R. L. C. Moncure. The Commonwealth's Attorney, Mr. C. Vernon Ford, was assisted by Mr. Robinson Moncure. [Fairfax Herald.]

Charged With Assault.

Luigi Palmitano, an Italian laborer, was arrested at the Italian camp below this city, yesterday morning on a charge of having committed a deadly assault upon Rocco Ferri at the Garfield Park camp of Italian railroad laborers. The prisoner admits that he did the shooting, which occurred during a "beer argument" over a game of cards. The prisoner will be turned over to the Fairfax authorities.

Cooler Weather.

The mild weather of yesterday morning was followed by northwest winds and cooler weather during the afternoon and by night the temperature had fallen perceptibly. This morning seasonable conditions prevailed, the wind being cold and the skies threatening. There are indications of snow.

DeWitt's Witch Hazel Salve has cured thousands of cases of Piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of our druggist," so writes C. H. LaCroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by all druggists.

Mrs. Julia McGraw, wife of a well-known farmer, was arrested near Marthasville, Ky., charged with poisoning Mrs. Martha Yocum, aged 65, and three women named Botts. Bank Robbed.

On Wednesday night the Southern Maryland Savings Bank of La Plata, Md., of which Mr. Adrian Posey is president, was entered by robbers and the safe rifled. Nothing was known about the robbery until about 6 o'clock yesterday morning, when a young man passing the bank noticed the windows broken open. Upon investigation it was found that entrance had been gained by breaking the glass in a window and thus unbolting it. Once inside they resorted to the use of explosives, by which the lock was blown off the vault door, and then the safe door, and then the safe door was blown entirely from its hinges and the box emptied of all the money, amounting, according to the estimates, to something over \$5,000. The robbers broke open the blacksmith shop of Mr. Charles H. Padgett, several hundred yards away, and got some tools. They also went upon the floor above the bank where the Maryland Independent Office is, and secured some paper, which was placed on top of the safe and soaked in water presumably to deaden the sound of the report. Immediately upon discovering the condition of the bank Mr. Posey tried to notify the police departments of Baltimore and Washington, but found that the wire was grounded between Brandywine and Marlboro, showing that the offenders had planned well. The work is evidently that of professionals.

Killed Insane Uncle.

"Nat" Shaw, proprietor of the Courier, in his own house in Hickman, Ky., yesterday morning shot and killed Robert Buck, his uncle, in self defense. Buck was in an insane asylum at one time, but was released, and until a few weeks ago it was thought his reason had been permanently restored. Ten days ago, however, he became violent again, and Mrs. Buck, for fear he would kill her, went to the home of her father in the country, her little daughter going to the home of Buck's nephew, Mr. Shaw. This angered Buck and for days he had been violent. Early yesterday morning Buck telephoned Mr. Shaw at his home that the uncle would be over during the morning to settle all their earthly differences. About 9 o'clock he called and tried to force his way in. All the doors saved save the one leading into the kitchen were locked, and through this one Buck entered. As soon as he saw Shaw, despite the pleading of his own child, Buck started to draw his pistol and had it half exposed. Shaw then fired once, the bullet going all the way through Buck's head, killing him instantly. A coroner's jury gave a verdict that Shaw had killed Buck in self defense. No warrant for his arrest was issued.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that it they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy they did and brought about a quick relief and cured the baby." This remedy is for sale by Gibson & Timberman and W. F. Creighton & Co., druggists.
